

New Brancepeth Primary School Sports Premium Investment 2019/20

For 2019/20, the school will receive approximately £16,900 (exact figures will be released later in the year by the Department of Education) to spend on school P.E. and Sport. Outlined below is how this particular funding has been spent within this year **only** and the impact we thought it would have. The reader needs to be aware that there is a huge amount of additional activity taking place that is not covered by the narrow scope of this document.

In 2019/20, at New Brancepeth Primary School, we continue to strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. We are going to use the Sports Premium funding to continue to make sustainable improvements to the curriculum on offer, our resources, the teaching of PE and sport and children's access to competitions. We are going to continue to maximise the long-term impact of our PE provision for both pupils and staff.

Financial Year	Amount of Sports Premium Funding
2016/17	£8,460
2017/18	£16,920
2018/19	£16,870

Vision: ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
