PREVENT Policy

Updated: September 2021

This Preventing Radicalisation Policy is part of our commitment to keeping our pupils safe. Since the Education and Inspections Act 2006 schools have a duty to promote community cohesion. Over the last few years, global events have led to a growth of extremist viewpoints, including advocacy of violent extremism.

Schools have an important part to play in both educating children and young people about extremism and recognising when pupils start to become radicalised. In March 2015, new statutory duties were placed on schools by the Counter Terrorism and Security Act 2015 which means they must work to prevent children being drawn into extremism.

Safeguarding children from all risks of harm is an important part of a school's work and protecting them from extremism is one aspect of that.

ETHOS

At Discovery Federation we ensure that through our school vision, values, relationships and small group teaching we promote tolerance and respect for all cultures, faiths and lifestyles. The Governors also ensure that this ethos is reflected and implemented effectively through School policy and practice and that there is an effective suite of safeguarding policies in place to safeguard and promote pupils' welfare.

We have a duty to prepare our pupils for life in modern Britain and to keep them safe. Everyone at Discovery Federation has the right to learn and work in safety. We do not tolerate bullying of any kind and will challenge derogatory language and behaviour towards others.

DEFINITIONS

Extremism is defined in the 2011 Prevent strategy as vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas.

Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

British Values are democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

ROLES AND RESPONSIBILITIES

Role of the Governors

It is the role of the Governors is to that the school meets its statutory duties with regard to preventing radicalisation.

The Governors have a nominated person who will liaise with the Headteacher and other staff about issues to do with protecting pupils from radicalisation.

Role of the Headteacher

It is the role of the Headteacher to:

- ensure that the school and its staff respond to preventing radicalisation on a day-to-day basis
- ensure that the school's curriculum addresses the issues involved in radicalisation
- ensure that staff conduct is consistent with preventing radicalisation

Role of Designated Safeguarding Lead

It is the role of the designated safeguarding lead to:

- ensure that staff understand the issues of radicalisation, that they are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns
- receive safeguarding concerns about pupils who may be vulnerable to the risk of radicalisation or are showing signs of radicalisation
- make referrals to appropriate agencies with regard to concerns about radicalisation
- liaise with partners, including the local authority and the police
- report to the Governors on these matters

Role of staff

It is the role of staff to understand the issues of radicalisation, that they are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns.

CURRICULUM

We are committed to ensuring that our pupils are offered a broad and balanced curriculum that aims to prepare them for life in modern Britain. We encourage our pupils to be inquisitive learners who are open to new experiences and are tolerant of others.

Our values support the development of the whole child as a reflective learner within a safe respectful learning environment.

Teaching the School's core values alongside the fundamental British values supports quality teaching and learning, whilst making a positive contribution to the development of a fair, just and civil society.

ONLINE SAFETY

The internet provides children and young people with access to a wide-range of content, some of which is harmful. Extremists use the internet, including social media, to share their messages. The filtering systems used at our school blocks inappropriate content, including extremist content.

Where staff, pupils or visitors find unblocked extremist content they must report it to a senior member of staff.

The online safety and internet user policy refers to preventing radicalisation and related extremist content. Pupils and staff know how to report internet content that is inappropriate or of concern.

STAFF TRAINING

Staff will be given training to help them understand the issues of radicalisation, so that they are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns. This information also forms part of annual safeguarding training.

SAFER RECRUITMENT

We ensure that the staff we appoint at Discovery Federation are suitable, our recruitment procedures are rigorous, and we follow the statutory guidance published Keeping Children Safe in Education.

Vetting and barring checks are undertaken on relevant people, including the Governors and volunteers.

VISITORS

Visitors to the college are made aware of our safeguarding and child protection policies on arrival at the school and are given information about what to do if they are concerned about any aspect of child welfare. Signs identifying the designated officer for Child Protection are also displayed around school.

We undertake due diligence to ensure that visiting speakers are appropriate. Speakers will be supervised at all times and will not be allowed to speak to pupils without a member of staff being present.

Staff must not invite speakers into school without first obtaining permission from the Headteacher.

MONITORING AND REVIEW

This policy will be monitored and reviewed by the Governors annually and reporting about this will take place through the Headteacher's Report to governors where required.
